Full refund if trip is canceled

WHAT TO EXPECT ABOUT THE TRIP

After leaving Dexter we will travel to pick up additional passengers in Newport then travel onto Waterville with a 30 minutes stop at McDonalds to grab breakfast which needs to be brought back on the bus. (**this meal is on your own**) Once back on the bus we travel to Hadlock Field to arrive at the ball park by approximately 11:00 when tickets will be distributed.

When we arrive at the ballpark our seats are together, thus we will travel as a group from the bus to the section where the seats are located. You will have time to grab lunch and watch warmup practice before the game starts.

Once the game is over we will meet at a designated area inside the ballpark. There will be time to use the restrooms before we travel as a group back to the bus. If time allows after the game, we will travel to Len Libby's Candy Store for a quick stop before heading to the Cracker Barrel for dinner (**which is on your own**).

Approximate arrival back to Newport should be about 8:00 and 8:30 in Dexter.

Wear comfortable shoes, clothing, and bring sunblock

There will be snacks and water, on the bus.

Individuals who would like to go, but may not be able to find a travel companion, remember we will be traveling as a group.

.....

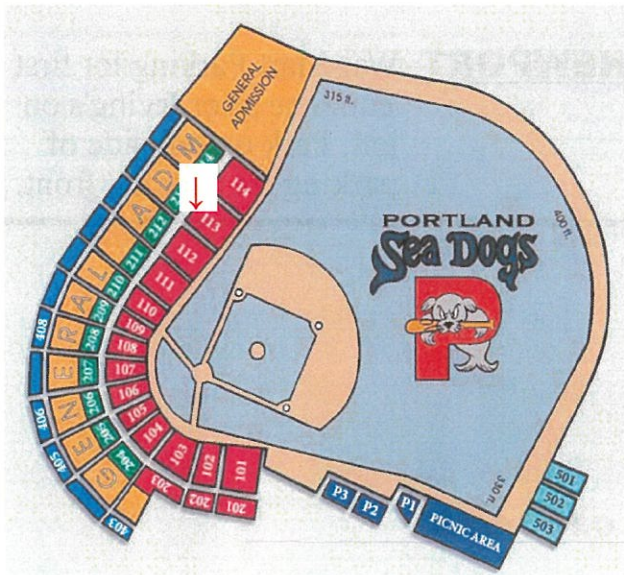

In consideration of individual's with allergies and/or asthma, please refrain from wearing perfume, aftershave lotion, and scented body lotions.

You will not be contacted to confirm your reservation, you will only hear from a committee member if the trip has been cancelled.

We hope to see you on the bus!

Seats are in section 113
